Dear Sir,

**SUBJECT : LETTER OF APPRECIATION FOR THE PERFORMANCE OF AMSBACH
MARINE (S) PTE LTD / SEA HORSE PACIFIC**
**PROJECT: PNG LNG OFFSHORE PIPELINE PROJECT FOR OMATI LANDFALL
(PAPUA NEW GUINEA)**

We would like to thank Amsbach Marine (S) Pte Ltd and its affiliate, Sea Horse Pacific (Papua New Guinea), for the services which they rendered to Saipem for the above-mentioned project, which involved the charter of the LCT "KUDA SEMBRANI", from October 2011 to January 2013.

The vessel was supporting the PNG LNG Offshore part of the pipeline project by providing services to our accommodation vessel by running supplies and cargoes between Port Moresby and the Omati site.

We found their services to be of a high standard and they acted with professionalism in the discharge of their duties and responsibilities.

The project was supported by teams in Singapore and on the ground in Port Moresby.

We therefore have no hesitation in recommending Amsbach and Sea Horse Pacific to any parties who are in need of their services.

Best Regards,

Francois Siouffi
Project Representative
