

Recommendation Letter29rd June 2011**To:** Amsbach Marine (S) Pte Ltd**From:** Spie Capag Nugini

Dear Amsbach Marine (S) Pte Ltd,

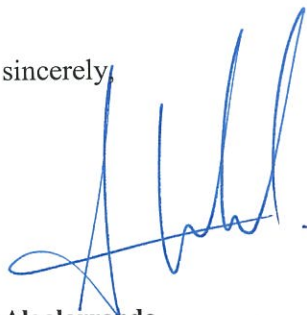

We would like to thank Amsbach Marine (S) Pte Ltd and their Affiliates, P.T. Sea Horse, Jakarta and Sea Horse Pacific, Papua New Guinea for their professional services over the past six months.

We chartered a Landing Craft from Amsbach for the movement of cargo from Port Moresby up the Kopi River in Papua New Guinea for the support of our onshore pipeline construction project. A mixture of containerized, RoRo, heavy equipment and machinery was moved.

Support was available on the ground in Port Moresby from the team there. Co-ordination from Jakarta and Singapore also ensured a smooth operation.

We would have no reservation recommending the services of these companies further.

Yours sincerely,

Didier Algalarrondo
